

Welcome to Flavor Producers

Bursting with Capabilities

Bursting with Flavors

Bursting with Applications

Since 1981, Flavor Producers has manufactured custom fruit and confection flavors, offering cutting edge technology and unparalleled service. We formulate delicious custom flavors with our valued clients across a wide range of industries:

Bursting with Applications:

- Confectionery
- Beverage
- Bakery
- Pharmaceutical
- Nutraceutical
- Dairy
- Meal Replacement
- Oral Care
- Pet Products

We take great pride in our state of the art R&D and manufacturing facility located in Valencia, California. Our 35,000 square foot AIB certified site enables us to offer our clients superior analytical technology and rapid turnaround times. In addition our knowledgeable chemists and Account Managers work with each client to produce top quality custom flavors that will keep your consumers coming back for more.

Bursting with Capabilities:

- Low minimums
- Made to order
- AIB Certified
- Organic Certified
- Liquid or Dry formats
- Exceptional Service

Flavor Producers has the experience and expertise to formulate flavors to suit every need. We tailor our flavors to the specific requirements of each unique client and project, offering an innovative array of flavors to help our clients stay ahead of consumer tastes and market trends.

Bursting with Flavors:

- Certified Organic
- Natural
- Natural & Artificial
