

Flavor Producers Introduces

Trü Brüz™

Flavor Producers is proud to introduce Trü Brüz™, a new type of flavoring system that contributes authentic brewed flavor profiles to food and beverage.

- Natural extractives of brewed tea, coffee and cocoa
- Several varieties of green tea, black tea, and white tea available
- Available in liquid, water soluble essence, extract, and flavor forms
- Add true brewed flavor to food and beverages
- Natural non-gmo or certified organic
